## **7. Treasurer's Report**

From 1/11/10 – 11/3/11 there have been 7 renewals. Expenses \$75 and candles for Carols function \$1993.00. Moved Greg Schmidt and seconded Bob Curtis.

## **8. General Business**

- a. QCC - Old Cooma Road letter from QCC to JRA was dated a day earlier than the day that we actually wrote our submission! It is clearly a form letter response from Council.
- b. Safety and Security – Reminder from Queanbeyan Police that whilst we have a good community that we need to be vigilant and that we should make the new members of our community aware of this when welcoming them into our community.
- c. NSW Fire Brigades – Fire unit training tomorrow – theory and further training is on Saturday. Getting trailer soon for Macadamia/Frangipani.
- d. Community Bank – Final push to get the bank established. An incentive run by the bank is that for any not for profit group that every \$1 purchased 25 cents for to the NFP group.
- e. Transport/Roads/Traffic – Lanyon Drive duplication is really close to completion, end of March but this is weather dependent.

**ACTION ITEM:** Progress on funding in last NSW budget for traffic lights for Lanyon Drive. Follow up with Steve Whan.

9. **Motions** - none

10. **Other Business**

- a) Combined Community Council – next meeting 19 March
- b) JRA website – needs to be updated.

**ACTION ITEM:** David Hope to update contacts and minutes.

- c) Airport – Canberra Airport Consultative Forum was held on 3 March 2011. Margot provided an overview of this meeting. Key issue is that future meetings there will be an independent Chair and the Airport will provide secretarial services. We were presented with an overview of the draft noise abatement zones review report.
- d) Abandoned vehicles – there has been an abandoned vehicle on Tompsit Drive for the past 2 weeks.

**ACTION ITEM:** Find out what are the Queanbeyan Police Standard Operational Procedures relating to abandoned vehicles ie how long do they leave them there?

- e) Newsletter – Seems that no one got the last newsletter. It was printed and delivered to the delivery people but never made it into people's letterboxes. Need to look at delivery alternatives for the next newsletter.
- f) Easter Raffle – Michael agreed to coordinate the raffle ticket selling roster.

11. Close 8.43pm
